In case you did not know, Wainer and his family, together with my self, my wife Susan, and several brothers and sisters, planted The Bridge Covenant Church in 1998. Wainer was the Senior pastor through 2006. The Bridge Covenant Church is a member of The Evangelical Covenant Church.

We decided to be their home base 501 C3, and give them, along side with all who are part of their support team, the spiritual coverage and the financial administration, because we worked with them and believe in God's call over their lives.

God bless you as you join us as part of God's work in Brazil along side Wainer, Magui and Peter.
